

PRIME MINISTER · PREMIER MINISTRE

I am pleased to extend my warmest greetings to everyone attending Quo Vadis 2012, the North American conference for youth of Polish descent.

Quo vadis is a three-day event designed to assist youth of Polish origin in their educational, career, and leadership choices. This year's event, building on the success of previous initiatives, will encourage young people to take active and meaningful leadership roles in their communities.

I would like to commend the organizers and mentors for setting an example for a new generation of the Polish diaspora who are proud of their roots but committed to being full participants in their adopted homeland. Your efforts to help young people achieve success and fulfilment create a better future for us all.

Please accept my best wishes for a most enjoyable meeting.

The Rt. Hon. Stephen Harper, P.C., M.P.
